The American Guild of Organists - Milwaukee Chapter was chartered on May 5, 1919, to serve and support the professional activities of organists and church musicians in the Milwaukee area. Persons who participate in our chapter are organists, choir directors, organ builders, technicians, clergy, students, and those who appreciate organ and sacred music. The Chapter is open to those of all levels of playing proficiency. *Members especially appreciate* the participation of those who simply listen and support organ and choral concerts.
