February 2022

During the month of February show your love for our chapter and join us for one of our upcoming events!

Saturday, February 5, 2022, 9:30 am - Chapter Zoom meeting/Check-in

We hope that you will take some time to connect and meet to encourage one another: our newest members and young organists along with our more experienced and enthusiastic members. Bring your thoughts to the discussion! I am curious about what people would consider the most important aspects of ministry and how to best serve the people we work with. Any questions can be directed to John Schubring, [john.schubring@gmail.com](mailto:john.schubring@gmail.com). See you Saturday morning!

Saturday, March 12, 2022, Chapter Organ Crawl - Western/Southwestern Milwaukee

David Bohn always does a great job of organizing and executing the chapter's organ crawl. If you do not know David yet, he is a wealth of information about instruments in the area! Watch for upcoming details and come to share in the sheer joy of exploring local instruments and the beautiful buildings they are housed in! Bring some music and be ready to hop on the bench if you so desire!

Ingrid Pierson is working on forming the nominating committee to prepare a slate of candidates for the upcoming terms beginning in July 2022. Please consider how the chapter can best serve our membership and your role in helping to make that happen. Many hands make light work! Contact Ingrid or any of our other board members if you are interested in knowing more about serving on the board. While we have had to back off of some events with the pandemic, this chapter has produced some wonderful programming and workshops over the years. There are wonderful people in this chapter who care immensely about the vitality and presence of our organization in the greater Milwaukee area. Thank you for your support!

Blessings!
