March 2022

Ready for spring? Preparing for new growth? Our chapter is ready to blossom forth as we continue to gradually emerge from the winter of the pandemic. We have continued to work, sowing seeds for the future.

Thank you to those who took time to join us on Saturday, February 5th, for the chapter Zoom check-in. There was a glitch as we began, but most people were able to find us once we reset the link for Zoom; thank you for your persistence! These opportunities to meet online have been fruitful. Each time different members have been present and have shared their thoughts and ideas engaging in conversation that raises up opportunities and challenges for our organization. We appreciate those who were able to engage even for a brief amount of time. Thank you, again!

Mark your calendar and register for the organ crawl this weekend!

Saturday, March 12, 2022, Chapter Organ Crawl - Western/Southwestern Milwaukee

David Bohn always does a great job of organizing and executing the chapter's organ crawl. If you do not know David yet, he is a wealth of information about instruments in the area! Check the website for further details and join us to share in the sheer joy of exploring local instruments and the beautiful buildings they are housed in! Bring some music and be ready to hop on the bench if you so desire!

Please thank our nominating committee, Ingrid Pierson, Sheri Masiakowski, and Caroline Senn, for their efforts in putting together a fine slate of candidates for the upcoming executive board terms beginning in July 2022. See the listing of candidates in this issue of PipeNotes. Biographies will be included next month along with voting details.

We look forward to the member's recital in May and the introduction of the online archive to the chapter. Details to come! Thanks for continuing to check in regularly!

Blessings!

YEAR OF THE YOUNG ORGANIST

Investing in the Future

July 1, 2021–June 30, 2022

In an effort to grow the community of younger musicians in the pipe organ field, the American Guild of Organists has declared this year the “Year of the Young Organist”.

Through the sharing of performances by young musicians and the publication of resources, we hope to bring more visibility to the new generation of musicians. Additionally, 1 year of free Guild membership is now available for all current, lapsed, and new members under the age of 30.
