Pipe Organ Encounters (POE) are multi-day experiences organized by a local AGO chapter. During the POE, participants receive group and individual instruction, take field trips to hear and play notable instruments, and enjoy recitals by accomplished performers.

The Winston-Salem POE will be held at the same time as a UNCOSA Pipe Organ Intensive (POI) for slightly more advanced organ students. Students in each program will be together for some concerts and Organ Literature classes but will experience different lesson tracks, improvisation coursework, and more.
