## OFFICER INSTALLATION CARILLON TOUR AND RECITAL

2:15 -- Installation of Officers and presentation of award.

2:45 -- Tour of Marquette Carillon

3:00 Carillon Recital by Mark Konewko

Bring a lawn chair and enjoy a beautiful September afternoon as the bells ring out over the Marquette Campus.

**Brief History:** Although the tower which houses the Marquette University instrument was constructed in 1923, designed to house a carillon, it remained empty until 1967. In the year 1967, the installation of a 48-bell Paccard carillon was made possible by Mrs. John C. Dwan, who was a member of the Board of Regents for Marquette and Chair of the John C. Dwan Educational Foundation of Duluth, Minnesota. Princeton University Carillonneur Arthur Bigelow had been hired to design this Paccard instrument, and the original keyboard was built to his specifications. Following Bigelow's death in February of 1967, Justin Kramer, and engineer from Los Angeles, was brought in as consultant for the project. Lowell Smith played for the dedication on October 29, 1967.

As the lazy days of summer wind down, many of us who deal with choirs will be engaging in start-up in the next couple of weeks (unless you've started already) and congregations and schools will resume their Fall activities in earnest. Some of us are putting the final details on planning and some are already deeply engaged in bringing the best we have to offer to our congregations, choirs and students. In the midst of all this activity, who has time for an AGO Chapter meeting? Why should we care?

It is easy to limit your contact with the AGO to reading PipeNotes and a monthly perusal of TAO, and both of those are useful benefits to your membership, but if you are limiting yourself to that you are depriving yourself of one of the principal benefits of membership; the opportunity to meet and interact with your colleagues. We meet to learn, sometimes in events like our very successful workshops in July and August this year. We meet to teach, as we will do with our upcoming Pedals, Pipes & Pizza (PPP) program and our participation in the Regional Competition for Young Organists (RCYO.) We meet to enjoy and be inspired, as we will do with some wonderful upcoming recitals. But equally important, we meet to encourage and support one another in our various callings.

On Sunday, September 14 at 2:15 we will meet to install our newly-elected officers, to pledge our support and to encourage their leadership in the upcoming year. We will meet to remind ourselves of why we chose to organize ourselves into a guild. We will meet to give honor to one of our own who has gained national recognition. We will meet to affirm to one another that our association and the collegiality which binds us as a chapter can also serve to strengthen each of us in our individual calling. We will meet to share a late-summer outing on the lawn as the music of the carillon wafts across the Marquette campus. Do not let this last gasp of summer and this first opportunity of a fresh new season pass you by. I look forward to seeing and greeting you there.

NOTE: The chapter has an ever-growing music library of donated scores which will be available in the parking lot (our own version of a tailgate party.) Browse through them and take what you want or need and give a donation to the chapter. Everybody wins — and you can tell your friends you were tailgating with the AGO.
