Our Chapter's Guiding Light The Archives

Milwaukee Chapter—AGO *Founded May 5, 1919*

Liz Walloch
Milwaukee Chapter Archivist/Historian

How I spent my summer this year was most unique and interesting. As a former academic library staffer, I stepped forward to sort, organize and cull, aka weed, the historic papers of our Milwaukee Chapter. I discovered during my library time at Sheri's house with Rafi, my four legged companion many key historical moments from our past. I found information on the name change of the chapter, meeting minutes, treasurer's reports, committee reports, info on hosting recitalists, concerts, student competitions, workshops, conventions, publishing the first newsletter, potlucks and even annual Christmas parties. From the volume of print materials that I reviewed, I also found a photo collection. With the printed materials, most have at least a year on them, but the photos are a total mystery. In this first article in PipeNotes, Sheri and I selected these two (2) photos. Your assistance in identifying them is a plus as we time travel back and look forward to our convention in 2019. I am down to the final container of materials to review, doesn't seem possible that I have come full circle. From my time working through the materials, our chapter's archives are a treasure to preserve and share.

GREAT MUSIC ON A GREAT LAKE

the late 1970's until 2006, Lynne Davis made France her home having married Frenchman and Chartres International Organ Competition founder Pierre Firmin-Didot. Her unique living and vast working experience as well as her lineage of study in France makes her an authority in all French organ repertoire and many other European composers.

Her activities have included being a featured performer at two national conventions of the American Guild of Organists, a member of Chartres, Dallas, St. Albans, Taraverdiev (Russia), and Montréal international organ competition juries, and giving master classes on French organ literature and its history. A highly regarded teacher, she served as organ professor at the Conservatory of Music in Clamart, near Paris, from 1990–2006 and from 1997–2006 at the French National Regional Conservatory in Caen. In 2006 she returned to the U.S. and was appointed the Robert L. Town Distinguished Professor of Organ at the Wichita State University School of Music in Kansas. Following the immense success of the American Alain Festival which she organized at Wichita State University to celebrate the 100th anniversary of the birth of Jehan Alain, she was awarded as a French citizen the distinction of Chevalier de l'Ordre des Arts et des Lettres from the French Ministry of Culture and Communication in 2012. In 2013, she received the medal of the city of Wichita from Mayor Carl Brewer and in 2016 the Burton Pell award from the Wichita Arts Council.

Ms. Davis graduated with honors in organ performance from the University of Michigan where she studied with Robert Clark. Shortly thereafter, she moved to France and for eight years she studied with Marie-Claire Alain, and also with Jean Langlais, Maurice and Marie-Madeleine Duruflé, André Fluery, Gaston Litaize, and Edouard Souberbielle.

Lynne Davis is represented in North America exclusively by Phillip Truckenbrod Concert Artists, LLC.

Lynne Davis to headline Milwaukee Convention on June 19 2019 at Gesù Church

“Lynne Davis played with precision and ‘le bon gout.’ Her sense of style was excellent and she clearly showed her mastery of all the French-style ornamentation.” (The Calgary Herald)

Though American by birth, Lynne Davis’ career has been steeped in French music, culture, and style. After taking First Prize at the 1975 St. Albans International Organ Competition in England, she has performed in nearly every cathedral in France, numerous major cities throughout Europe, and from coast to coast in the United States.
